

Press Release

APS UK Ltd are delighted to announce that they have been appointed as the UK distributor for Lorandi Silos Srl.

APS UK Ltd have been involved in the plastics industry, supplying bulk material conveying systems, waste extraction systems, and dust and fume control systems, for over 20 years.

Lorandi Silos Srl was established in 1952, manufacturing stainless and aluminium silos, as well as vertical mixers and a full line up of bulk material conveying equipment, including big bag stands and silo loading systems.

'We are pleased to have the opportunity to supply Lorandi equipment in the UK. It comes as our company has seen continued growth in terms of number of employees and turnover. Over the last 18 months we have grown our projects team and increased the number of salesmen to better serve our customers. From our office and warehouse in York we will be able to stock and quickly supply parts to UK customers.' – Adrian Ogden MD APS UK Ltd.

Both APS UK Ltd and Lorandi Srl share a passion for innovation and supplying high quality equipment and service to customers in the plastics industry.
